

*A Celebration of the Life of*

*Duffy Evans*

NOVEMBER 12, 1951 - FEBRUARY 15, 2019

Nancy Meredith "Duffy" Van Dyne Evans was born November 12, 1951. She was a beloved wife to Brian, devoted mother to Courtney and Whitney, cherished mother-in-law to Joe, adored Grandma 'Tutu' to Henry and Ethan, treasured sister to Dana and Courtney and daughter to Jack, Nancy and Ray. Warriors fan, savior to stray animals, aunt, friend and 2nd mother to many.

Duffy was the type of human you looked at in awe, with a sense of grace and style that permeated the very air she breathed. From her gourmet meals to her beautiful paintings, Duffy brought life and beauty to whatever she touched. She was an exceptionally beautiful soul--inside and out. The type of person that could be just as comfortable and glamorous while barefoot on the beach in a swimsuit as she was walking arm and arm with Brian in a cocktail dress and big earrings to a party. There was an ease and ethereal beauty about her that was simply undeniable.

Duffy's manner and mantra began and ended with kindness--quiet, unassuming kindness. It is this kindness she drew on in her last years, as she took care of the love of her life. And now that she has passed, it is her kind words and acts that will remain here, in the hearts of all who knew her. We will forever miss you Duffy.
